

Friends of the Village Centre

In 2004 the Village Centre was just a dream.

But in 2009 the redevelopment of the original Methodist Building began.

Now the real work to transform the building into a vibrant community facility begins!

There are ways in which you can help to make the venture a success:

- By becoming a volunteer
- By making a regular financial commitment to the work.

In return we promise to keep you up to date with all that's happening, invite you to the AGM and to the Friends' Annual Lunch!

Drop in for coffee, lunch, or just for a chat to find out more

Or contact Linda, our Centre Manager, who has all the information you will need.
